## **Guardian Outdoors**

**Guardian Outdoors is a non-profit 501 (c) (3) organization filed under the official name Guardian Outdoor Adventures Inc. We are an entirely volunteer organization whose mission is to provide active duty military, military veterans, fire fighters, police officers, emts and other first responders with outdoor therapy adventures with the main focus of fishing and white water rafting, at no cost to the applicant.**

**Our goal is to provide each applicant with an adventure that will help them forget about the tribulations of working in such a field and enjoy the great outdoors. Often an overlooked and thankless job, these individuals benefit from experiencing these outdoor adventures, and even develop new skills that they can take home and continue to experience for a lifetime.**

**Our mission is to honor and support our military veterans and first responders. Our organization is staffed by 100% volunteers that make up military veterans, first responders and civilians. We run entirely off donations, sponsorships and partnerships in the community. Please consider donating to our organization so we can continue to help our military and first responders navigate the trials of their lives.**

**The future goals of our organization, in addition to day trips, are to provide our applicants with the opportunity to attend a big event. The plan is to host an annual trip called "Guardian Week", which will entail a week of sightseeing around Gettysburg and the DC area, as well as fishing in the Pennsylvania, Maryland, Virginia and DC area with a side trip to white water raft the beautiful Shenandoah River. The other annual trip we would like to offer is called "Guardians on the Gauley", a weeklong trip to New River Gorge National Park in West Virginia where our heroes will sightsee around the national park and a 3-day rafting adventure on the New River and the Mighty Gauley River. The goal is to provide these trips to heroes across the nation at no cost, to include transportation, food and lodging!**

**If you have any questions, feel free to email us at [staff@guardianoutdoors.org](mailto:staff@guardianoutdoors.org).**

**If you choose to donate, we have included a sponsorship form explaining the various benefits of your donation. No donation is too small! We appreciate your support in supporting our nation's military veterans and first responders.**
